

IT'S TIME:

- for a classification structure that values members in promotional positions
- for gender employment equity
- for action to address continuing workload issues
- to pay us what we are worth.

The **3Ps** of TAFE EB10

It's time to give us what we deserve.

QTU TAFE members demand the three Ps now:

- **Pay** – a pay rise that puts our TAFE members first
- **Permanency** – secure jobs as we help our students build their future
- **Programming** – action to tackle workload and work intensification
