A UNION REPRESENTATIVES IN SCHOOLS

Nominations are hereby called for Union Representatives in schools/workplaces.

The staff of a school/workplace are entitled to elect two Union Representatives where up to 15 are appointed to the staff, and an additional Union Representative for each additional 15 members or part thereof. Provided that no fewer than 50 per cent of the Union Representatives at a school or workplace shall be female if sufficient female candidates nominate for the positions.

Where more than one nomination is received for the position and there are not sufficient positions available and where a school already has an allocation of additional Union Representatives, or the General Secretary determines not to grant an additional allocation, an election will be held between the current Union Rep team and those nominated.

In such circumstances, the General Secretary will advise the existing Workplace Reps of the nominations of representatives more than the school's allocation and of their intention to conduct an election.

Should existing representatives, or any duly nominated representatives, wish not to participate in the election, the General Secretary will treat this advice as a request to resign from the position, or to withdraw their nomination.

Following this process, members at the workplace will be advised of the intent to conduct an election for the representative team.

The rule requiring at least 50 per cent of the Union Representatives in a workplace to be female; and a First Nations member (should one nominate) will continue to apply in these circumstances.

Elections caused under this section will only occur once in a three-year period.

Where ballot is necessary, the optional preferential method of voting shall be used.

Nominees must exhibit:

- support for QTU member working conditions and directives
- involvement in QTU activities, e.g. legal seminars, QTEC training days
- involvement in QTU structures, e.g. committee member
- continuity in their QTU membership.

If nominating for the above position, please complete and sign the form on page eight of this supplement.

Nominations are hereby called for Union Representatives in TAFE branches.

The members of the TAFE branch shall elect up to five (5) Union Representatives to represent appropriate sections of the branch.

Each branch will decide in which

Where more than five (5) nominations are received for these positions and a ballot is necessary, the optional preferential method of voting shall be used.

Nominations by candidates for the position of Union Representative shall be in writing and shall be signed by the candidate.
